

Data Protection Notice

The **Insurer** and other group companies will use any information given together with other information for the administration of this **Policy**, the handling of claims and the provision of customer services.

The information may also be disclosed to the **Insurer's** service providers and agents for these purposes. It may also be disclosed to the **Insured's** Insurance Adviser.

The **Insured** has a right to request a copy of the information, to correct any inaccuracies and of erasure in certain circumstances.

If further information is required as to how data is processed by the **Insurer**, or as to the exercise of any rights under any data privacy laws, the **Insured** should read the Data Protection Policy on the **Insurer's** website at:
